Bangor, ME 04401-3460**

Before mailing, please verify that your personal information is correct!

Do **NOT** send a payment with this application!

A discount is available to current members of AMA, MRF or UBM. **Proof of membership will be required.** The discount may only be taken at the time your tuition payment is due.

Please read very carefully! Failing to follow our suggestions may reduce your chances of successful enrollment.

Fill out other side of this form, and return this application immediately! Applications will be accepted in order of arrival, and based on the availability of openings in the classes chosen by the applicant. List, in order of preference, the classes you are willing to attend. It is *strongly* recommended that you choose a variety of locations, fill all twelve spaces on the application if possible, and chose dates through-out the entire season, including the fall. The maximum class size is twelve students and classes will fill very quickly. If you wish to take your class with a friend or family member, return your applications in the same envelope and include a note (the applications may be copied - be sure the full legal name, address, phone numbers & DOB of each applicant is included).

Confirmation letters will only be sent to those who successfully enroll. Included will be the date/location of your class and a tuition payment form. ***DO NOT send a payment with this application.*** Full payment of the tuition fee is required within one week from the date your confirmation letter is received. Payment may be made by check, money order or credit card and is fully refundable (less a cancellation fee) up to fifteen days prior to the course date.

If you do not receive a confirmation letter in early April please be patient! We will contact you just as soon as we have placed you in a class. Constant inquiries on the status of your application, only slows down the process.

The Basic RiderCourse[®] The 2-day *Basic RiderCourse[®]* (BRC) hours are from 8:00 AM until *approximately* 6:00 PM Saturday and Sunday with a combination of hands-on riding experience and classroom instruction. We'll provide a small training bike and, in a large parking area, MSF-certified RiderCoach will teach you the basics in a step-by-step process. On Sunday you'll take a knowledge test (which you must score 80% or better) and a riding skills evaluation. Successful completion of *both* parts usually qualifies you for your motorcycle license endorsement. If you've never been on a motorcycle before or you are returning to riding after many years, this class is right for you. Fee for the BRC : \$295.00.

BRC Course Requirements: Participants must be at least 16 years old. Parental permission and proof of driver-ed completion is required for those under 18. Students must attend all sessions and complete all requirements set forth by the Motorcycle Safety Foundation (MSF) in order to obtain a completion card. Successful completion of the knowledge test *and* the skill evaluation qualifies the beginner student for a waiver of the State road test. You must have the ability to balance a bicycle. **For the protection of all concerned, we reserve the right to suspend anyone from riding activities if, in our opinion, they can not control a motorcycle.**

The Experienced RiderCourse[®] The MSF's *Experienced RiderCourse[®]* (ERC) is held on Saturdays or Sundays, from 9:00 AM until about 5:00 PM. Riding your own bike, you'll practice exercises that will hone your braking, cornering, and swerving skills. Even if you've been riding for some time, there's always something new to learn. Fee for the ERC : \$100.00.

ERC Course Requirements: Participants must be at least 16 and are required by Maine law to have had a motorcycle endorsement on their license for at least 3 months. Participant-owned motorcycles used in the ERC must be street-legal (i.e. registered, inspected, and insured) and will be subject to a safety check before the riding exercises. **For the protection of all concerned, we reserve the right to suspend anyone from riding activities if, in our opinion, they can not control a motorcycle.**

Dress Requirements for all courses: A DOT or Snell approved helmet, eye protection (goggles, glasses, or a helmet face shield), a long sleeved shirt or jacket, long pants of sturdy material, over-the-ankle footwear, full-fingered gloves (leather boots and gloves are preferred). Rain gear (no ponchos) is strongly recommended.

With a lot of help from our friends!

Student tuition alone does not support our rider education program. We rely on the assistance of many Maine businesses to provide this to you. The following supporters have contributed to this program. We thank them here and hope you will thank them with your patronage.
